

COASTAL INFRASTRUCTURE CHALLENGES & SOLUTIONS

Rebecca Hayes, CEO
District Council of Tumby Bay

TUMBY BAY JETTY

- Aging Infrastructure
- Ownership/Lease arrangements
- Lifecycle Planning
- Financial capacity of regional councils
- Community expectations

The background of the slide is a photograph of a wooden pier or jettie extending over the ocean. The view is from underneath the pier, looking out at the water. The wooden beams and posts are weathered and dark. The water is a mix of light green and blue, with small waves. The sky is a clear, pale blue.

SA JETTIES STRATEGIC PLAN

"The Strategic Plan will aim to balance
the value jetties provide alongside
future management challenges"
